Workshop Descriptions

***Explore Your Future: Midlands Technical College Training Programs** - Are you ready to take the next step toward a brighter future? Join us for an engaging workshop where you'll discover the wide range of training programs offered by Midlands Technical College. Whether you're looking to advance your career, build in-demand skills, or explore new opportunities, this session has something for everyone! Learn about programs in: • Advanced Manufacturing & Skilled Trades • Business & Information Technology • Leadership Development • Healthcare & EMS

***Building a Resume that Stands Out** - This workshop helps participants craft a compelling resume that highlights key skills, experiences, and achievements tailored to their target industry. Attendees will learn practical strategies to make their resumes visually appealing and impactful, ensuring they stand out to potential employers.

***SC Works WIOA Informational Session**- Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This In-formational session will also include some of the additional services we provide at SC Works.

*****NEW*** Excellence in Healthcare** - We offer CPR, first aid, license instructor to teach CPR, and CNA program. What makes us stand out with the CNA program is that we offer flexible learning, payment plans, intimate learning for students, and low tuition cost.

***Entrepreneurship and Leadership in the Community/ CDL Profession** - This workshop will focus on entrepreneurship and leadership within the community and CDL profession, providing valuable insights on how to lead and innovate in this industry. Participants will learn practical strategies to build successful businesses, inspire teams, and make a positive impact on their communities.

***Social Media Etiquette** - workshop helps participants navigate the do's and don'ts of online interactions, ensuring a professional and positive digital presence. Attendees will learn best practices for responsible posting, privacy management, and maintaining a personal brand that aligns with career and networking goals.

*****NEW*** Speak Easy 101- Ways to being comfortable while being professional** - This session is designed to help participants feel confident and comfortable while maintaining professionalism in various settings. Attendees will learn practical techniques to improve communication, build self-assurance, and present themselves effectively in professional environments.

*****NEW*** Careers in Cyber (Exploring career paths in the digital workforce)** - This workshop designed to explore career opportunities in the growing digital workforce. Participants will learn about various roles in cybersecurity, required skills, industry demand, and pathways to enter the field. This session provides valuable insights into building a successful career in the ever-evolving world of cyber technology.

*****NEW*** Personal Branding** - workshop helps participants define and showcase their unique strengths, skills, and professional identity. Attendees will learn strategies to build a strong personal brand, both online and offline, to enhance career opportunities and make a lasting impression in their industry.

***Changing Lives with your CDL A** - The "Changing Lives with Your CDL A" workshop from 160 Driving Academy offers a clear, step-by-step guide to obtaining a CDL A and launching a rewarding career in trucking. Participants will learn about the training process, job opportunities, and how this career path can lead to financial stability and growth.
